Equipment

All test items are performed on-leash. At no time is the dog to be taken off-lead. A long line will be provided for the recall.

Acceptable collars are: Buckle, slip, martingale. Leather or nylon or fabric or chain. Collar must be well fitting and not slip over the dog's head. NO prong, pinch, head halters, remote collars or any other "training collar" is permitted.

Encouragement

Owners/handlers may use praise and encouragement throughout the test. The owner may pet the dog between exercises. No food or treats or toys allowed during the test.

Failures – Dismissals

Any dog that eliminates during testing must be marked failed. The only exception to this rule is that elimination is allowable in test Item 10, but only when test Item 10 is held outdoors.

Any dog that growls, snaps, bites, attacks, or attempts to attack a person or another dog is not a good citizen and must be dismissed from the test.
