10:00 am Agility Just for Fun! Introduction to Agility

This class focuses on learning agility obstacles and having fun with your dog. This is a perfect class for those folks who want to learn new things with their pets as well as Obedience competitors who wish to keep their obedience dogs supple and athletic. This class is also a great introductory class that will teach solid foundation for those who wish to continue in the sport of canine agility. Learning recreational agility is a great low stress way to offer the competition obedience dog or bored pet a relief from the show ring tedium and/or home environment.

Prerequisite: Beginner Obedience or approval from Head Trainer.

11:30 am Novice Agility

This class is for dog and handler pairs who have competed introductory agility and whose dogs are sound on the equipment and ready to advance in the sport of canine agility. More complex handling exercises and obstacle work will be performed.

Prerequisite: Introduction to Agility
